

REMARKS

In response to the aforementioned Office Letter, the applicant has amended the claims to overcome the objections under 35 USC 112. Apparently, objection was taken to the language "in advance of".  
5 The applicant has revised the claims to avoid any objection or rejection under 35 USC 112 to now recite that the destination is "beyond" the end of the line. It is now believed that there can be no confusion as to that which is intended.

The applicant has only changed the claims in order to avoid any  
10 ambiguity and therefore, entry of this amendment is respectfully solicited in order to place the application in better condition for appeal.

Dated: April 20, 2005

Respectfully submitted,
